## Create an Account on SkyDeck

You can create an account by registering for the free trial of SkyDeck:

### 1. Fill the Registration Form

- Visit the [SkyDeck Free Trial](#) page.
- Complete the registration form with your details.

### 2. Complete OTP Verification

- You will receive a One-Time Password (OTP) on your registered mobile number.
- Enter the OTP to verify your mobile number.

### 3. Activate Your Account

- Once the form is submitted, you'll receive an email with an activation link.
- Open the email and click the link to activate your SkyDeck account.

### 4. Set Up Your Password

- Follow the instructions in the activation link to create your password.

### 5. Log In to SkyDeck

- Use your registered email and password to log in to SkyDeck.

**Invited by Another User:** you can also create a SkyDeck account if you have been invited by another user to their organization.

- Check your email inbox for the invitation email.
- Click the account activation link provided in the email.
- Follow the steps above to activate your account, set up your password, and log in.
