

Working with Livestreams

Updated on 08 Apr 2024 • 1 Minute to read • Contributors

Access to Live module is restricted to users with the Admin, Project Manager, Site Manager, Mission Manager and Site Analyst roles. Other users will not be able to view or access this module.

The **Live** module is where you can access live streams from ongoing missions in real-time.

To access the **Live** module:

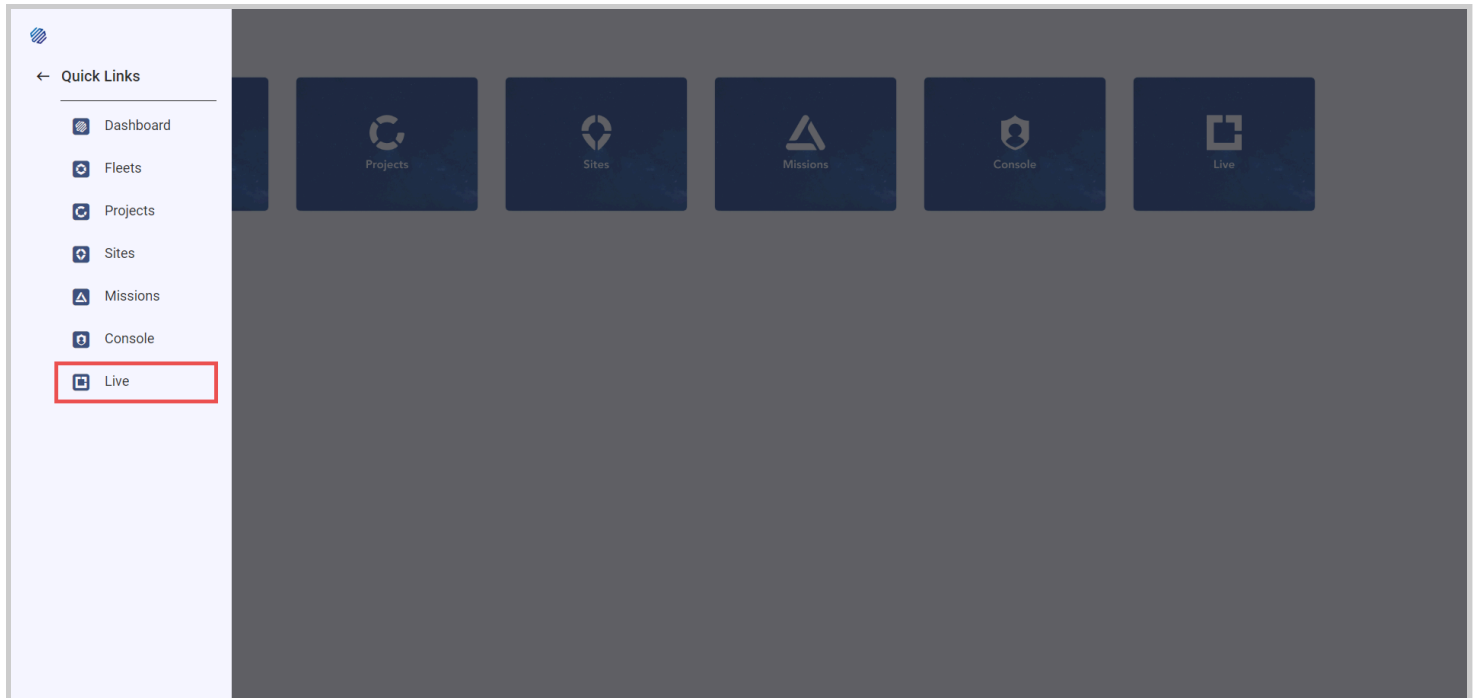

- On the **Modules** page, click **Live**.

Live on the Module page

OR

In the left navigation pane, click the **Applications** icon and then under **Quick Links**, click **Live**.

Live from Quick Links

The **Live** module opens displaying the **Livestream** page.
